We have been doing collections of prescriptions (and hearing aid batteries if previously arranged) for 2 weeks and now are offering this to an increased range of residents in Upper and Lower Basildon . We are now extending this service to those who are staying at home completely and are not able to go out shopping at all.

Key phone numbers

John Kedar: 01491 671930

Ian Cox: 01491671806

The Boathouse Surgery: 0118 984 2234

For those who are still going shopping we would ask that they continue to collect their own prescriptions and those of any neighbours. As always in the current circumstances asking if a neighbour needs any shopping also is very appreciated.
